MINUTES

The minutes from the January 10, 2005 meeting were approved as written.

OTHER BUSINESS

Dan Jones informed the committee that there will be an opening on this committee for a fire sprinkler contractor as Dennis Strong has served his two terms.

Bill Bonn passed out a copy of the rule for R432-6-201 Occupancy Type that the Health Department has in place at this time that needs to be placed in the building code rules for uniformity. Following the discussion it was decided to table the matter until the next meeting.

IMC SECTION 602.2.1 MATERIALS

Bill Godwin and Steve Vernon explained to the

## EXPOSED WITHIN PLENUMS

committee why they have proposed this amendment. This proposal is also being proposed on the national level. Following the discussion, a motion was made to deny the proposal. The motion passed with a vote of four in favor and Bret Larsen, Dennis Strong and Mike Pedersen abstaining.

## R156-56-202 ADVISORY PEER COMMITTEES

The committee discussed the issue of coordinating the rules between the various state agencies. There is a Health Facilities Committee that is involved in the development of rules for the Department of Health. The committee requested that Bill Bonn speak to the Department of Health and ask them if they would be interested in appointing a person to represent them on this committee.

## IBC SECTION 1008.1.8.3 LOCKS AND LATCHES

Richard Lyman presented this proposal for Mr. Halladay. This amendment is presently in the Fire Code rules under Section R710-9. Following the discussion, a motion unanimously passed to forward the proposed amendment on to the Commission with a favorable recommendation.

The meeting adjourned at 10:05.
